PROJECT NO.:

BAC 1906

DRAWING NO.:

A1-03

Architectural drawing showing the plan view of a building extension project. The drawing includes the existing building, the new extension, and a key plan. The existing building is a long, narrow structure with a series of columns and a roof. The new extension is a larger, more complex structure with multiple levels and a more intricate roof. The drawing includes dimensions, grid lines, and various annotations in Thai and English. A key plan is also shown, indicating the location of the building within a larger site plan.
